VISION

To transform students into outstanding Global Citizens.

Inspiration from the presiding deity of the campus.

Lord Ganeshji's BIG HEAD inspires us to think big and profitably. The BIG EARS prompt us to listen patiently to new ideas and suggestions. The NARROW EYES point to the deep concentration needed to finish tasks at hand, well and quickly. The LONG NOSE tells us to poke around inquisitively to learn more and the SMALL MOUTH reminds us to speak less and act more!

MISSION

For us,
Education is not just academic excellence. It's about character building combined with emotional and spiritual growth, thereby creating outstanding global leaders.

Dream worth living

The spirit of livelihood
Treading the right path
We aren't to take a stand
Everybody come take our hand

The purpose of life is

And blessings our only sword
We believe in ourselves
We believe in Truth

Surrendering in faith
Struggles rocked as cradles
We cross all hurdles
Together as Kikanians

Give us your child Take back a leader
School Motto being our guiding light
Teaching fraternity as our might
We will reach greater heights

Winning the world with wisdom
Hope as our backbone
Focus our only option
With courage and determination

ANTI-BULLYING COMMITTEE

Bullying is unwanted, aggressive behaviour among school aged children that involves a real or perceived power imbalance. The behaviour is repeated, or has the potential to be repeated, over time. Both kids who are bullied and who bully others may have serious, lasting problems. The Central Board of Secondary Education (CBSE) has termed bullying on the school campuses as "critical". Bullying has severe detrimental effects on those who are bullied. The effects can be immediate. They can also be long-term and can cause life-long damage. In every bullying situation, there are typically three key parties - the victim, the bully or bullies, and the bystanders, who are aware of the bullying. Each of these three parties is affected negatively by bullying. Kikani Vidhya Mandir is a staunch believer of equal treatment to all its students and follows zero tolerance policy against harassment to any of its students. To deal with the predicament of bullying, the School has constituted a committee to look into any incident related to bullying. The committee is authorised to take appropriate measures to deal with concerns related to "bullying."

To adopt zero-tolerance attitudes against any kind of bullying.
